SOLESBEE'S IS THE PROUD DISTRIBUTOR OF AUGER TORQUE IN THE U.S.

AUGER TORQUE EARTH DRILL

AUGER TORQUE EARTH DRILL

With over 25 years of manufacturing experience, our versatile auger range efficiently handles jobs of any size. High-quality hydraulic motors, output shaft bearings that are 50% larger than our competitors, and the latest manufacturing techniques make this range of earth drills the best you can get on the market.

- ✓ **Quality**
- ✓ **Availability**
- ✓ **2 Year Warranty**

FORGED HOOD EARS

All hood pins are locked for extra safety making it impossible for the hood to detach from your hitch.

EPICYCLIC GEARBOX

Torque is amplified by using the unique Auger Torque planetary gearbox. This system allows the motors output torque to be multiplied with extreme efficiency as well as ensuring the durability and reliability you need.

SINGLE PIECE NON-DISLODGE SHAFT

Unique to Auger Torque, the Non-Dislodgement Shaft is a single piece drive shaft assembled top-down and locked into the Earth Drill housing. This design guarantees that the shaft will never fall out, making for a safer work environment.

QUALITY HYDRAULIC MOTORS

Auger Torque's huge buying power means we work closely with high quality suppliers to develop the most reliable attachments available on the market today.

HOSE & ADAPTORS

All Earth Drills come standard with high quality hoses and adaptors (excluding larger units).

AUGER TORQUE EARTH DRILL

FEATURES

- Unique Auger Torque planetary gearbox offering high efficiency and extreme durability
- Single piece drive shaft
- Bearings fitted 50% larger than competitors
- Heavy duty steel construction
- Compatible with Auger Torque's range of Alignment Monitoring products for accurate earth drilling applications

SPECIFICATIONS

BASED ON 3300 DRIVE UNIT

CARRIER WEIGHT	
Excavator / Skid Steer	3-5 T / 80HP
Torque Range	1106-3318 ft-lb
Oil Pressure Range	1160-3481 psi
Oil Flow Range	13-30 gpm
Speed Range	40-77 rpm
Unit Height	26 inch
Unit Diameter	10 inch
Unit Weight	166 lb
DRILLING PERFORMANCE	
Auger Series	S4
Auger Diameter	4-36 inch
Drilling Depth*	13-4 ft

*Note: Specifications, dimensions, and weight are approximate and subject to change without notice

APPLICATIONS

- Fencing
- Landscaping
- Tree Planting
- Pole and mast Installations
- Foundation piles
