## EXCAVATOR 'TRINITY'

### Soleesbee's Excavator 'Trinity'

The Soleesbee's 'Trinity' is a revolutionary combination of our renowned bucket, thumb, and quick coupler, manufactured as a single, perfectly matched unit, eliminating the frustrating guesswork of piecing together attachments. With all three parts of the Trinity being built together here in Atlanta, you'll never again have to worry about wasting your time or resources on fitment accuracy. Get to work on your project right away.

- ✓ **Quality**
- ✓ **Availability**
- ✓ **2 Year Warranty**

#### UNIVERSAL FIT

Available for all makes and models of excavators from 4,000 lbs. up to 79,000 lbs. operating weight and backhoes

#### SECURE COUPLER CONNECTION

Secure connection between the excavator arm and the attachment
